ALCiE Launches New Accountant Alliance Program

Members Receive ALCiE SME Software and Alignment with Local Area Business Partners
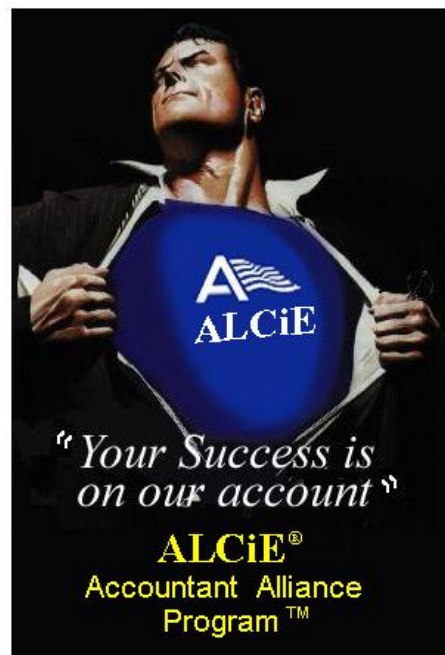

Montréal, Canada. / January 18, 2005

ALCiE® Integrated Solutions, Inc. (AIS), a leading producer of enterprise software, integrated business solutions, and professional services, today announced the launch of a new ALCiE Accountant Alliance Program™, created exclusively for accountants and business consultants with the necessary knowledge and materials to advise their clients about ALCiE-SME™ software solutions for small and medium-sized businesses, as well as referral opportunities with ALCiE and its established business partners (http://www.alcie.com/partnership.cfm?l=1).

The ALCiE Accountant Alliance Program™ is most appropriate for accountants and business consultants who serve businesses in the 50 to 2,500 employee size range, and who may not have any specific industry orientations.

In addition to fully functional ALCiE-SME™ software for their internal use and reference purposes, ALCiE Accountant Alliance Program™ members receive any ALCiE-SME™ software updates, discounts on ALCiE Standard Edition™ and ALCiE Enterprise Edition 6i™, and other benefits.

"Many small and mid-sized businesses rely upon their trusted accountants, and business consultants to recommend accounting and financial solutions to help them organize and control their operations and quickly grow their businesses," said Anthony Paraskevas, Vice-President of Marketing, Business Development and Partnerships at ALCiE Integrated Solutions. "Our ALCiE Accountant Alliance Program™ provides a way for accountants and business consultants of all sizes to stay abreast of technology and software topics and feel comfortable recommending ALCiE-SME™, ALCiE Standard Edition™ and ALCiE Enterprise Edition 6i™ to their clients."

There are no certification requirements to join the ALCiE Accountant Alliance Program , and enrollment is available now. Additional information about this valuable program can be found at :
